

Lingdale Primary School – Sports Premium Funding 2013/2014

What is Sports Premium?

From April 2013 each school in England received a block sum of £8,000, whatever their size or designation, plus £5 per pupil. This money is to be used to support better standards of physical education within the school and greater participation. This money has been allocated for two years.

Planned Expenditure

Consultation

Teaching staff were consulted on how best to move forward. Most teaching staff have had minimal training in physical education and felt that they needed more input in how to make the lessons more rigorous both physically and with regard to expected standards.

A number of staff also felt that when we had a Sports Specialist on the staff participation and motivation were higher.

Children were keen to take part in more physical activity during school time as well as at clubs.

Actions:

Appointment of a Specialist PE Teacher, a qualified and experienced secondary, physical education teacher. Also the Local Sports Partnership Lead. She provides a 1 hour PE lesson to all KS2 children in preparation for Cluster and Local competitive events alongside the classteacher.

Two sports coaches are employed each lunchtime to extend the children's opportunity to participate in physical activity.

Subscription to the Sports Partnership to allow the children access to a range of competitions throughout the year.

Two sports coaches employed to provide a one hour sports club after school on Thursday and Friday.

Fund Allocation:

0.1 Specialist PE Teacher contract	£3376
Lunchtime Sports Coach x2	£3000
After School Sports Coach x2	£3600

Subscription to School Sports Partnership	£1000
	Total - £10976
