

Lingdale Primary School – Sports Premium Funding 2016/2017

What is Sports Premium?

From April 2013 each school in England received a block sum of £8,000, whatever their size or designation, plus £5 per pupil. This money is to be used to support better standards of physical education within the school and greater participation.

Planned Expenditure

Consultation

Teaching staff were consulted on how best to move forward. Most teaching staff have had minimal training in physical education and felt that they needed more input in how to make the lessons more rigorous both physically and with regard to expected standards.

A number of staff also felt that when we had a Sports Specialist on the staff participation and motivation were higher.

Children were keen to take part in more physical activity during school time as well as at clubs.

Actions:

Continued appointment of a Specialist PE Teacher, a qualified and experienced secondary, physical education teacher. Also the Local Sports Partnership Lead. She provides a 1 hour PE lesson to all Reception and KS1 children in preparation for Cluster and Local competitive events alongside the classteacher.

Subscription to the Sports Partnership to allow the children access to a range of competitions throughout the year.

One sports coaches employed to provide a one hour sports club after school on Friday for Key Stage 1
