School social media and communication

Please can I remind you that we DO have a school facebook page. The name of the page is Lingdale Primary School. Please like us to keep up to date with current events and messages. Thank you to all the parents who handed in their communication questionnaires. The findings have been analysed and were very positive. The majority of parents felt that communication was **good** and **95%** rated school as at least **9 out of 10**. The prize draw took place today and one lucky family won a fish and chip supper at Stonehouses. Thank you for your support. Thank you also to those parents who attended appointments to discuss their child's progress. Staff will be in touch to make new appointments for those who didn't attend.
