Working together to be the best we can be

Dear Parents/Carers,

The sun may not have been shining this week but plenty of our children have!

Years 4 and 5 were visited by a scientist working for STEM (Science/Technology/Engineering/Mathematics). They will be working on a top secret design over the summer which they will take with them to a Science Fair in October. Mr Fairbridge's class have been learning about the process of mummification through the medium of drama. Mrs Norris' class have been making plastic out of milk and vinegar(ask them!) as well as learning about static electricity.

Year 1/2 have been researching fantastic facts about sea creatures- did you know an octopus has blue blood? The youngest children have explored the outdoor areas in search of mini beasts to live in the hotels the children are building. We love learning!

MAKE SURE YOUR CHILD IS IN SCHOOL EVERY DAY.

Year 5/6: 89.4% Well below

Year 3/4: 90.9% Below

Year 1/2: 91.2% Below

Reception: 100% Wow!!!

This week's whole school attendance
91.8% Below

Yearly school attendance to date: 95.9%

Target 96.6%

This is the expected standard for all schools.

Poor attendance impacts negatively on your child's potential and life chances.

Come join us
