Dear Parents/Carers,

Another busy week has come to a close- only one left until half term.

A HUGE thank you to all our parents who came along for Parents' Evening this week. We would like to thank the parents who took time to fill in the slips and appreciate all the positive comments. It was lovely to see the children showing off the work in their books.

Encouraging regular reading at home is one of the most powerful ways you can prepare your child for success - both in school and in life. This term at Lingdale we have continued the many rewards for those children who regularly read at home. We have seen some improvements since the start of term but unfortunately this week NOT ONE class achieved the school target of every child reading at home at least 3 times. Teachers award a token when a child has read 3 times in a week. Every Friday in Achievement Assembly a pupil in each class is pulled out of the token box to win a FREE book. The book draw box is bursting full of amazing books all ready to win.....Good luck and please KEEP reading!

2 Year Old Provision - This week we have renamed our 2 Year Old Provision 'Lingdale Little Explorers'. Do you know any children in the area that are nearly 2? We are updating our waiting list and making sure all our babies and toddlers are registered with our school office. Please register your child and spread the word as soon as you can.

30 hours entitlement - We now offer 30 hours childcare for 3 & 4 year olds. Please speak to the school office to enquire if you are eligible or visit www.childcarechoices.gov.uk

Please speak to the office if you haven't filled in a Flu vaccine consent form. Thank you

E-safety Information for Parents

This week, we have had some concerns from parents about children and the use of mobile phones. Did you know that children under the age of 16 cannot access the platform of Tik Tok? Did you know that Facebook, Snapchat and Instagram requires everyone to be at least 13 years old before they can create an account? Please help us to keep children safe by NEVER allowing your child to access these sites underage!

Not sure about the new game your child wants to download? Unsure what Online grooming is and how you can protect your child from it? Need help to protect your child from Cyber bullying? Follow the link below to download handy parent's guides-
