Welcome to this week's news.....

ROBINWOOD RESIDENTIAL ...

Challenge...When was the last time you dared yourself to do something different? When was the last time you challenged yourself to leave your comfort zone?

Resilience... When was the last time you showed the ability to sustain prolonged physical and mental effort? When did you last use the motto "If at first you don't succeed, then try, try again?"

Tolerance- When was the last time you tolerated the behaviour of another human being with different needs to your own? When did you last put someone else's needs before your own?

Our lovely children in Year 5 and 6 displayed all of the admirable qualities above during their three-day visit to Robinwood. Every single child showed their true potential during our stay in the Cumbrian wilderness. They did themselves and the school proud with their dynamic, go-getting approach to the challenges they faced. From learning to canoe amongst the ducks to reaching the highest point on the climbing wall, all our pupils displayed drive, determination and stick- ability. We are so proud of each and every one of them and hope that they all gained some invaluable memories and experiences. The staff certainly enjoyed it! Thank you so much for trusting us with your children –they are a credit to you all. Keep watching our Facebook page for a video compilation.

Do you have any unwanted toys, games or dressing up clothes in good condition? We would appreciate any donations for our XMAS Fayre.
