

Here are this week's home learning activities. If you have any questions or need any advice then please get in touch EYFS@lingdale.org . I hope you enjoy this week's story!

Lingdale Primary School

Nursery Home Learning - Lost and Found

Story: This week's stories are based on our new topic of Winter.
Lost and Found <https://www.youtube.com/watch?v=cRAAQ8EWzig>

Read the story Lost and Found and talk about how the characters might have felt.

Singing

<https://www.youtube.com/watch?v=IbkSoGMpZVg>
Use the link above for children to sing some simple snowmen and Winter songs.

Understanding of the world

Float and sink. The little boy uses his boat to help the penguin. Can you make a boat that floats on the water? What materials will you use?

Explore floating and sinking. What objects can you find in your house that float or sink? Can you make a prediction first? Then drop the objects in the bowl or bath.

Physical Development:

Gross Motor:

Experiment with moving with different ways around the house - crawl, slither, jump, go backwards.

Can you walk like a penguin? How do you think a penguin walks? Can you think of some other animals? Move around the room or your garden as different animals.

Can you walk like a Penguin?

Fine Motor

Dough disco. Exercise your little fingers using playdough at the dough disco. This week's theme is The Muffin Man https://www.youtube.com/watch?v=N4Y_dw023G8
Please see below for a playdough recipe you can make at home...

Letters and sounds:

Make some listening ears to help you do good listening at home! Use the template or you can make your own using any available resources and design you like!

Wear your listening ears whilst looking around your home. Can you find things that make sounds around the house? Washing machines, taps, creaky floorboards and hinges, toilet flushes, clocks. Make a list using drawings.

Wear your listening ears to play a listening game.

Maths

Number of the week : 2

This week we will be learning all about the number 2. Watch this video to get started. https://www.youtube.com/watch?v=-fAmAWQ_TTM

- Help with the washing! Can you help pair the socks up? What else can you find in the house that comes in 2's?
- Use Lego, pasta, raisins, sticks - anything! Can you count out 2?

Learn about 2 with the number blocks

https://www.youtube.com/watch?v=gQZ_gP86uGs

Creative:

Can you make a model of a penguin? You could use a kitchen roll tube, parts of an egg box or a plastic bottle. Craft packs are available from school.

Here are this week's home learning activities. If you have any questions or need any advice then please get in touch EYFS@lingdale.org . I hope you enjoy this week's story!

Follow the instructions on this sheet to make your own playdough
– no cooking or hot water required!

No-Cook Playdough

Ingredients

2 cups plain flour
1 cup salt
1 tbsp oil
1 cup cold water
2 drops liquid food colouring
– any colour of your choosing

Method

1. Mix the flour and salt together in a large mixing bowl.
2. Add the cold water, oil and drops of food colouring and mix together.
3. When your ingredients are well mixed, take them out of your bowl and place your dough onto a flat surface, such as greaseproof paper.
4. Knead vigorously for a few minutes, until your dough feels like playdough and all of the stickiness has gone.

What is kneading?

This is when you press, massage, squeeze and fold your dough.

If your dough is too wet, add a little extra flour and carry on kneading.

If your dough is too dry and crumbly, add an extra drop of cold water and carry on kneading.

Make sure you add any extra ingredients a little bit at a time.
