

Year 5-6 Home Learning Week 1 22nd February 2021

Please find enclosed your learning pack for week 6. Expectations are that you spend 4 hours a day on your home learning. Remember that you can contact me on Google Classroom if you need any help.

Live lessons this week will be on Tuesday 23rd @ 10.15am, Wednesday 24th @10.15Thursday 25thth @1.30pm and Friday 26th @11am. PLEASE NOTE THE CHANGES!

GPS:

Continue to work through your pack of the spelling lists for years 3/4 , 5/6. Use them to revise from and make a list of 6 - 12 new words to learn every week. Remember to use syllables to help you and ask yourself which rule they follow. There are worksheets around synonyms and antonyms- use an online dictionary/thesaurus if you need help.

English – We will be studying The Man Who Walked Between The Towers book. There are paper copies in your pack and here is the electronic link

<https://www.riverdell.org/Cms/lib05/NJo1001380/Centricity/Domain/201/Between%20Two%20Towers.pdf> Please **DO NOT READ THE BOOK UNTIL YOU ARE INSTRUCTED TO!** First, do some research into the twin towers.

Guided Reading

You will all have different comprehension questions based around a couple of texts about the ascent of Mount Everest by Edmund Hillary and Tenzing Norgay. Please answer the questions in your packs.

Maths – Years 5 and 6 will need to revise 2D and 3D shapes. Year 6 pupils will need to classify geometric shapes while year 5 pupils will then need to look at mass and volume. Here are some useful websites. Some children will be revising money – you will know which by the contents of your pack.

<https://www.theschoolrun.com/help-your-child-learn-about-shapes>

<https://home.oxfordowl.co.uk/maths/primary-geometry-shapes/geometry-shapes-year-6-age-10-11/>

Science- Animals, including humans-describing the changes as humans develop to old age. We will be looking at the circulatory system this week. Watch these clips first then complete the sheets in your packs.

<https://www.bbc.co.uk/bitesize/topics/zwdr6yc>

<https://www.theschoolrun.com/homework-help/human-circulatory-system>

- identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood

Topic We are continuing with Extreme Earth and will be starting with mountain ranges (The Himalayans) and moving onto tsunamis as the term progresses.

There are lots of activities on this link <http://teacher.scholastic.com/activities/hillary/>

I will keep you informed via the stream on Google Classroom as to which lessons you will need to do from this

P.E. As usual, your parents will have received an extra e mail this week detailing a challenge set for your household from Mrs Bell. Good luck!

Art – Choose an illustrator of children’s books and try to recreate some of their iconic pictures.

In class we are deciding between Eric Carle, Quentin Blake, E.H. Shepard, Beatrix Potter, Maurice Sendak, Peggy Fortnum, Judith Kerr or Mordcai Gernstein.

Challenge- Can you list some of the books that they illustrated?
