MAKE SURE YOUR CHILD IS IN SCHOOL EVERY DAY.

Working together to be the best we can be

What a fabulous treat for the school council this week. This group of 14 children have given up their lunch time every Tuesday to meet with Mrs Stephenson. The council discuss what we need to do in school to make it the best it can be. The children were also interviewed by UNICEF and supported school in receiving their Silver Rights Respecting Award. The children work hard to drive the school forward and voice all their concerns and suggestions. We are extremely proud of all our children on the school council and they decided as their reward they would like to enjoy a Mcdonalds in school. Well done to Ellie, Noah, Grace, Kian R, Lexie, Chloe, Kian H, Logan G, Thomas, Jack, Rosie, Riley B, Grace and Sebastian. Keep up the fantastic work!

In the words of Walt Disney, "To succeed, work hard, never give up and above all, cherish a magnificent obsession."

Article 31 - Rest, play, culture, arts

Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

This week we have taken part in many play and cultural activities. The children in EYFS have been practising for sports day. The children in KS1 and 2 have taken part in a year group tennis tournament which will provide an overall winner in every year group. The children in KS1 have also worked alongside an arts lecturer 'Gemma' who now comes in every Monday to develop the artistic skills of Year 1 and 2.

What an amazing hamper!

We hope you enjoyed the breakfast hamper that was sent out this week. The food provided in the hamper was funded by Greggs and packed by Mrs Coe. We intend to send out another hamper next week and this one will be filled with items for lunch over the half term holidays. We will be providing EVERY family with one which has been provided by Guisborough food bank. Children in receipt of benefit related free school meals will also be provided with a supermarket voucher which has been funded by the government.

Do you know anyone else in the village in need of a hamper?

This week we also delivered food hampers to three elderly residents in our community. We have plenty of food to give out if you know anyone else in our village who would appreciate one. Please ring or email the school office on office@lingdale.org if you would like to nominate someone.

National Smile Month is running from May 17th—June 17th

There are three key messages of National Smile Month, with the first one being that it is essential to brush your teeth at night and at least once during the day using fluoride toothpaste. It is also recommended to visit your dentist regularly and cut the consumption of sugary drinks and foods to an absolute minimum.
