What an amazing afternoon of singing our KS2 children had on Thursday with Pizzazz Performing Arts. Robyn was brilliant with the children. They all followed the directions given and we had some surprising solo artists. Watch this space for a new singing and performing arts after school club in September.

HEALTH AND SAFETY NEWS

Sadly, many bubbles in our local authority are isolating following lots of positive cases. It is a timely reminder that despite vaccinations, we need to stay vigilant about distancing, masks and hand sanitising. We have noticed lots of parents that are entering site WITHOUT their mask. Please help us to stay open and please keep safe. If you are exempt from wearing a mask, please ensure you let us know or make your lanyard visible. Thank you for the support.

Safety on our school grounds: key control measures:

- wear facemasks when on our school grounds
- keep a safe distance - Ideally 2m
- one parent/carer per child on the school grounds
- avoid standing in groups when on the school site
- leave the site as quickly as possible and be ON TIME

Mental health and well being

Over the past fourteen months, we have all gone through a period of instability which has affected everyone. Our children have returned to school and amazed all of us by slipping back into our new normality, easily. However, anxiety and stress take on many different forms, therefore if you feel your child is struggling emotionally then please let us know. We have an excellent pastoral lead Mrs Stephenson, who will work with you and your child, either in school or using the array of services we have access to.

September 2021

We are trying to plan for September 2021 and hope that our school will be back to normal. Please regularly check your emails to keep up to date with any plans. We have managed to secure a date to take our new Y5/6 children to Carlton in October 2021. This will be a two night residential and we will be asking parents to make a contribution of approx. £80 per child. The cost of the residential is around £200 per child including transport but the school will be subsidising this cost. Watch out for further information from Mrs Norris and Mr Fairbridge.

Swimming—We are hoping to take the 5/6 children swimming again in September 2021. Please ensure you reply to the email about your child's swimming ability.

After school club update! Clubs will finish on Thursday 8th July 21 - There will be no after school clubs in the last week of term 12th-16th July

After school info for September 2021 will follow next week.....
