## MUGA (Multi Use Games Area) Update

The work on the MUGA will start this Monday 21st June. The area on the field will be fenced off but please keep children away at drop off and pick up times. There will be some large vans and machinery arriving on school grounds please make sure that you DO NOT park on the zig zags or driveway. This will obstruct the contractors and cause delays in the project being completed. Please also make sure that children walk along the designated path to keep them safe and away from any vehicles. Please be vigilant when moving around the school site at all times. Thank you

We cannot wait for our new facility to be ready!

## **Voice of the School Council:**

We have been discussing our next project for school and the community. The children would really like to develop the wasted space at the bottom of the school steps. This area was previously a small park and children in Y5/6 have been writing letters to Simon Clarke to see what can be done. Additionally, the school children would like to continue with litter picking to make our area clean and tidy. Our mission is to have bins installed around the village to help with this. Watch this space....

*“Don’t be a litter bug. Help keep your community clean.”*

Phones- Thank you for your support in making our site a mobile-free zone. Safeguarding is our priority.
