

## Lingdale Primary School PE and Sport Premium Funding Report for 2020/21

The Primary PE and Sport Premium was launched by the government in April 2013. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision. The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

The PE and sport premium funding will be used to secure improvements in the following 5 key indicators:

1. Engagement of all pupils in regular physical activity
2. Profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

The details below show how we spent the Premium and what impact it had on our pupils. This year we received £16,830 Sport Premium funding with £8188 to carry over from last year due to School closure-Covid-19.

<i>How the money was spent</i>	<i>Amount</i>	<i>Which pupils particularly benefited</i>	<i>The difference we made to pupils</i>
<b>The impact on pupils' achievement in curriculum PE</b>			
Qualified PE Teacher (Mrs Bell) to work with staff with PE CPD	£3868	Key Stage 2 pupils	Pupils had high quality PE lessons and showed that they were on track for good attainment in PE. Support staff developed their skills working alongside the specialist PE teacher in Tag Rugby, Hockey, Netball and Tennis and were able to support children in external events and competitions.

Purchase of new high quality sports equipment and clothing	£632	All pupils	PE teaching and learning opportunities maximised through the provision of high quality resources. Children are appropriately dressed to participate in physical activity, PE and school sport safely. We also spent £200 of this budget on PE tops/plimsolls for every child.
<b>The impact on pupils participation and success in school sport (including competitive school sport)</b>			
To be part of, and support, our local School Sports Partnership.  (planned but may be restricted due to covid 19)	£3000	Whole School	All pupils have the opportunity to participate in SSP events, festivals and competitions. School has access to high quality sports teachers and coaches to enhance PE provision, intra-school events for pupils and provide CPD for staff. Some restrictions were in place due to closures and covid but internal and online competitions were still held.
<b>The impact on pupils' engagement in healthy, active lifestyles</b>			
To purchase sovereign trim trail to support children in physical activity in KS1/2	£10000	KS1 and KS2	Enhanced provision to allow children opportunities to be physically active – climbing, balancing etc.
After School Multi Sport Club	£3024	All pupils	More opportunities for pupils to access and engage in a range of physical activities with the aim of motivating every child to adopt a healthy lifestyle for life (after school)
<b>As a result of the above, the impact on pupils' engagement and achievement in school as a whole</b>			
All pupils engage in PE lessons that are high quality and a wider range of activities has been provided to allow all pupils to achieve. Standards in teaching has improved which has led to higher engagement of pupils within the PE curriculum and also inspired more pupils to engage in after school clubs. There has also been an increase with the participation rates of our pupils in physical activity. This has led to higher attainment in			

PE throughout the school and supported pupils in achieving throughout the curriculum.
