

Lingdale Primary School PE and Sport Premium Funding Report for 2021/22

April 2021 – April 22

The Primary PE and Sport Premium was launched by the government in April 2013. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

The PE and sport premium funding will be used to secure improvements in the following 5 key indicators:

1. Engagement of all pupils in regular physical activity
2. Profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

The details below show how we spent the Premium and what impact it had on our pupils. This year we received £16,800 Sport Premium funding with £8290 to carry over from last year due to School closure-Covid-19.

Total = £25,090

Swimming

At the end of the 2021-22 academic year,% of our Y6 pupils were able to swim at least 25m competently and use a range of strokes effectively.% of our pupils could perform a self-rescue.

Has any money being spent or is planned to be spent on providing additional provision for swimming?

Yes swimming time has been increased from 30 mins to 45mins every week. This is due to children not attended during covid.
