Working together to be the best we can be

Dear Parents/Carers,

Another busy week has passed and the children are immersed in their new learning. They have thoroughly enjoyed the restarting of our afterschool clubs.

INTRODUCING OUR HEADGIRL & BOY

Congratulations to our newly appointed Head Boy and Head Girl of Lingdale Primary School. The children in Year 5 & 6 voted for who they thought would be the best children to represent our school. It is their job this year to help in the running of the school by looking out for the children and the staff. Well done!

Congratulations also goes to our deputy head boy and girl Harley D and Summer, who will support Logan and Maddie in their work. Also our newly appointed school council representatives are Morgan J, Sonny G, Riley B, Poppy M, Sebastian R, Blossom L, Heidi P and Rhys S. The children will meet weekly with Mrs Stephenson to offer the voice of the children at Lingdale and "work together to be the best that we can be." Well done to all of you!

Health and Safety

Just a reminder that earrings **MUST** be removed for all PE, swimming and after school club sessions. If your child attends school with earrings, they will be unable to take part. Please also remember that children should have their hair tied up for swimming on a Wednesday. Thank you

Reading Corner

Congratulations to Joe C, Anna B and Lindon J who won the book draw last week. Thank you to those parents who take the time to hear their children read at home regularly. We really need every parent/carer to adopt this routine. We need your support more than ever to close the gaps left by the pandemic and ensure that each child is ready for the next steps of their learning.

Ofsted Inspection 14th/15th September 2021

As you will be aware, we were visited by Ofsted this week. Two inspectors toured the school and spoke to the children to see what they think it is like to be a pupil at Lingdale Primary. Thank you to those parents who completed the parent view questionnaire online. They were some heart-warming comments about how the school has worked in partnership with the community. The report will be published in October.
