Working together to be the best we can be

Dear Parents/Carers,

As another four day week draws to a close, we would like to celebrate our oldest pupils' determination and commitment towards tackling their end of Key Stage Two assessments. There has been much controversy about the content of this year's SATs papers but our children have given it their all—and—regardless of upcoming results, we want to celebrate their resilience. Well done!

Mental Health Awareness Week 2023

Mental Health Awareness Week takes place from Monday 15 - Sunday 21 May 2023. The official theme for this year, as set by the Mental Health Foundation, is 'anxiety'. Our '**Just Anxiety?**' campaign aims to help people and organisations to understand the difference between anxiety and anxiety disorders and to confidently seek and signpost each other to the right support.

Have a lovely weekend everyone! Be Safe, Be Ready, Be Respectful!
