Working together to be the best we can be

What a sunny week it has been!

Thankyou for covering your children in sun cream and sending hats and water bottles; they have done very well to stay safe in the sun. Play time has been glorious and field time allows so much more running around. We have had a few showers though so please remember to send you child with a thin water proof coat still. We love going out in the rain too!

The next four weeks are getting busy so please check diary dates for upcoming events. The week beginning 10th July will see our Year 6 children spend a full week at their secondary school. This will mean the rest of children in school will have time to meet their new teacher for September and new classroom. More details about this will follow.

Reading corner

Congratulations to Rossi, Bobby W, Sebastian and Darcy who won the book draw last week. Thank you to those parents who take the time to hear their children read at home regularly. It really does make a HUGE difference. Thank you

Sun Safety

The weather this week has been warm and sunny. Please remember to keep your child safe in school in the sun by ensuring they have the following;

- Filled water bottle in school daily (plain water ONLY, no juice or flavoured water)
- A sun cap to wear outside
- Applied sun cream **before** school. Children can also bring a labelled bottle if they stay all day and need to reapply at lunchtime.
- Appropriate clothing (no vests or backless dresses, please ensure your child wears a t-shirt)
- Appropriate and safe foot wear (no open toe shoes please)
- On warm dry days, Crocs are allowed but **not on PE days** as trainers MUST be worn. Children will be extremely limited as to participating in many outdoor activities and won't be able to use the climbing equipment if wearing crocs. Thank you

Site safety

Could we remind parents that children should only travel to school on a bike or scooter if they have a suitable helmet. NO ELECTRIC SCOOTERS ALLOWED DUE TO HEALTH AND SAFETY LAWS.

Safeguarding

If you are worried about a child, please speak to Mrs Thornton or one of the safeguarding team. Thank you
