

**Lingdale Primary School**

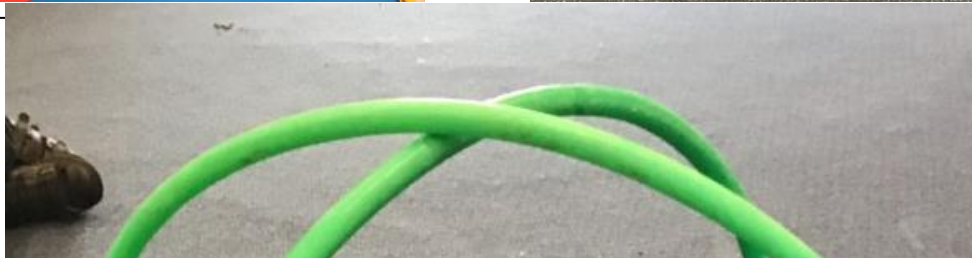

# **Art Curriculum**

## Intent:

At Lingdale, children will have the confidence and skills to represent their world in a creative and dynamic way, ready to explain the choices and ideas involved. Through investigating the work of local and renowned artists, architects and sculptors our children will develop a deep understanding of the creative voice and eye. Via the well-taught skills of drawing, painting and mixed media, sculpture and 3D Art and craft and design; and open-ended opportunities to use them, our children will discover their own creative soul. Thus, Lingdale children are confident self-evaluators who have learned to trust their instincts and be true to themselves.

**ELGs that feed into Art and Design: Expressive Arts and Design**

Creating with Materials – The children can safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. They share their creations, explaining the process/es they have used. The children make use of props and materials when role playing characters in narratives and stories.

Being Imaginative and Expressive – The children invent, adapt and recount narratives and stories with peers and their teacher. They sing a range of well-known nursery rhymes and songs. The children perform songs, rhymes and stories with others, and, when appropriate, try to move in time with music.
