Anti Bullying Policy

Principles and Values

As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported. Bullying will not be tolerated. The school will seek ways to counter the effects of bullying that may occur within school or in the local community. The ethos of our school fosters high expectations of outstanding behaviour and we will challenge any behaviour that falls below this.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.

All of us have encountered bullying at some point in our lives, but we all deal with it differently. The aim of this policy is to work together to ensure that school is a safe place for children and adults to be, whether the school community is directly or indirectly affected by bullying or not.

What Is Bullying?

Bullying is behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Bullying can be short term or continuous over long periods of time.

Bullying can be:

Emotional - being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)

Physical - pushing, kicking, hitting, punching or any use of violence

Racial - racial taunts, graffiti, gestures

Sexual - unwanted physical contact or sexually abusive comments

Homophobic - because of, or focussing on the issue of sexuality

Direct or indirect Verbal - name-calling, sarcasm, spreading rumours, teasing

Cyber bullying - takes place using electronic technology. Electronic technology includes devices and equipment such as mobile phones, computers, games consoles and tablets as well as communication tools including social media sites, text messages, chat, and websites.

Bullying may be related to:

- Race
- Religion
- Culture
- SEN or disability
- Appearance or health condition
- Home circumstances
- Sexual orientation, sexism, or sexual bullying

Bullying can take place in the classroom, playground, toilets, on the journey to and from school, on residential trips and cyberspace. It can take place during the school day, in the classroom, in the corridor or toilets, on the playground, out of school whilst on residential visits, day visits, in group activities and between families in the local community.

Bullies and Victims

Bullying takes place where there is an imbalance of power of bully over victim.

This can be achieved by:

- The size of the individual,
- The strength of the individual
- The numbers or group size involved
- Anonymity – through the use of cyber bullying or using email, social networking sites, texts etc

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Bullying has the potential to damage the mental health of a victim. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go on the school / public bus
- begs to be driven to school
- changes their usual routine

- is unwilling to go to school (school phobic)
- begins to truant
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions which are damaged or " go missing"
- asks for money or starts stealing money (to pay bully)
- has dinner or other monies continually "lost"
- has unexplained cuts or bruises
- comes home starving (money / lunch has been stolen)
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above
- is afraid to use the internet or mobile phone
- is nervous and jumpy when a cyber message is received
- lack of eye contact
- becoming short tempered
- change in attitude to people at home.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Outcomes

1. All known/reported incidences of bullying will be investigated by the class teacher or by a senior member of staff and reported to the Headteacher.
2. Parents of the victim will be questioned about the incident or about their general concerns.
3. The bully (bullies) may be asked to genuinely apologise. Other consequences may take place.
4. The parents of the bully and the victim will always be informed of incidents.
5. In some cases, outside agencies may be requested to support the school or family in dealing with bullying eg police, counsellor,
6. In serious cases, suspension or even exclusion will be considered.

7. If possible, the pupils will be reconciled.

7. After the incident / incidents have been investigated and dealt with, each case will be recorded in the Bullying Log and monitored to ensure repeated bullying does not take place.

Prevention

At Lingdale Primary School we use a variety of methods for helping children to prevent bullying through class assemblies, PSHE and Citizenship lessons, Assembly Themes, Anti-bullying week focus, Worry Boxes, ESafety and workshops delivered by Childline.

Children are also consulted through in-school pupil questionnaires, the results of these questionnaires are promptly responded to by staff.

The ethos and working philosophy of Lingdale Primary School means that all staff actively encourage children to have respect for each other and for other people's property. (Rights Respecting School)

Good and kind/polite behaviour is regularly acknowledged and rewarded.

Staff will regularly discuss bullying, this will inform children that we are serious about dealing with bullying and leads to open conversations and increased confidence in children to want to discuss bullying.

Staff will reinforce expectations of behaviour as a regular discussion.

Take part in Anti-Bullying week.

Staff to follow the Single Equality Scheme and Action Plan;

Welcoming every child to our school EVERY DAY;

Staff must be careful not to highlight differences of children or an individual child, even if this is done in jest. This gives other children advocacy to use this difference to begin calling names or teasing.

Staff must be vigilant regarding groups of friends together. Groups/gangs bring about the imbalance of power and must be broken up from around the central bully.

Staff must reinforce a general message that children do not have to be friends with everyone else, but they must be respectful of everyone else's feelings.

Children are involved in the prevention of bullying as and when appropriate, these may include:

- writing a set of school or class rules
- Writing a personal pledge or promise against bullying
- writing stories or poems or drawing pictures about bullying
- reading stories about bullying or having them read to a class or assembly
- making up role-plays about what to do through scenarios of bullying
- having discussions about bullying and why it matters that bullies are dealt with quickly
- Creating an item for the school website.

If a child feels that they are being bullied then there are several procedures that they are encouraged to follow: (not hierarchical)

- Tell a friend
- Tell your School Council rep
- Tell a teacher or adult whom you feel you can trust
- Write your concern and post it in the 'worry box
- Tell a parent or adult at home whom you feel you can trust
- Discuss it as part of your PSHE time
- Ring Childline and follow the advice given (Information displayed in each classroom and at each entrance)

Recording of Bullying Incidents

When an incident of bullying has taken place, staff must record and report each incident to the Headteacher.

General incidences of bullying should be recorded in the Behaviour Log this would include incidents where staff have had to become involved and speak with children, and/or where parents have raised concerns regarding bullying.

This information should then be shared with the Headteacher who will speak to the parents of children involved.

All incidents of bullying will be discussed with all relevant staff and parents of the children involved, in order that everyone can be vigilant and that bullying may be prevented from happening in the future.

Incidents of bullying and responses will be shared with the Governing Body (Safeguarding Governor)

Advice to Parents

As the parent of a child whom you suspect is being bullied:

Report bullying incidents to the class teacher or Headteacher

Do Not:

Attempt to sort the problem out yourself by speaking to the child whom you think may be the bully or by speaking to their parents.

Encourage your child to be 'a bully' back.

Both of these will only make the problem much harder to solve.
