Dear Parents/Carers,

Welcome to this week's news...

On Tuesday we hosted our first ever Science Open Day. Families were invited to join us for an afternoon of exploration and investigation. An amazing afternoon was had by all and we are processing the feedback. Many of the photographs can be seen on Facebook- over the page is a small taster of the activities.

Scientists come in all guises- can you name these scientists? Would you like to see a curriculum related quiz on here once a month?

Music

Are there any musicians out there?

Yesterday was the celebration of Bach's birthday. Could your child name a famous composer? Do you know that pupils listen to a selection of music every morning as they enter school?

After Easter we will be looking for parents with "hidden talents"- do you have a passion for music? Would you be willing to come into school and inspire our children?

Year 6 SATS

End of Key Stage Two tests take place from May 13th. If your child is sitting these tests, we kindly ask that they attend school every day and arrive promptly. Children are in school for only 6 hours and 15 minutes every day therefore, we need parents and carers to be on board in our quest for punctuality.

We also politely ask that any homework set is completed and that children are heard read a minimum of 3 times a week. We appreciate your cooperation in these matters.

Breakfast club /dinner money reminder- Please remember that breakfast club and dinner money **MUST** be paid in advance.
