Dear Parents/Carers Welcome to this week's news....

And...The winners were Lingdale Primary School!

Congratulations to the Year 5/6 children who participated in a STEM science challenge at The Beacon of Light Sunderland this week. Against the odds, a small village school won the competition to design an 'undersea grabber' - based on ridding the oceans of pollution. After a visit from a STEM Ambassador last year, the pupils were tasked with making a tool capable of transporting items (such as an egg and a jelly baby) which were buried in sand-from one location to another. Hats off to our children who did it in 2.8 minutes.

A huge well done to our Year 5 and 6 children who took part in our East Cleveland cluster Tag Rugby events this week. A superb performance from the whole team and a special thank you to Miss Sheridan and Mrs Crame who supported the Lingdale teams. The girls' team finished in a fantastic 3<sup>rd</sup> place, narrowly missing out on the final. Well done!
