

CONSENT FORM FOR TAKING AND USING PHOTOS (INCLUDING VIDEO MATERIAL)

Child's name: _____

At Lingdale, we sometimes take photographs and videos of our pupils to promote the activities of the school and to enhance the pupil experience. We use these on internal display boards around the school and on the school websites. Photographs and videos may also be used for promotional materials in the prospectus, newspapers, social media and for performances.

The General Data Protection Regulation (GDPR), in force from 25 May 2018 sets out principles of how to process *people's* data and keep it safe. To ensure we are meeting the new regulations, we would ask that you consent to the taking and use of photos and use of video material as detailed below, ticking the appropriate boxes only.

I consent :

- to the school taking photographs
- for photos / videos to be used on the school websites
- for photos / videos to be used in the school prospectus
- for photos to be used in internal / external displays
- for photos /videos to be used on social media
- for photos / videos to be used in advertising and media
- for photos / videos to be used in performances within the school

or,

I **DO NOT CONSENT** for Lingdale Primary School to take or use photos or videos.

Please note any images taken will be stored electronically alongside other personal data.

If you change your mind at any time, you can let us know by contacting the school on 01287 651723.
