## Working together to be the best we can be

Dear Parents/Carers,

We can't believe that we are already at the end of week 3—how time flies when you are having fun! We hope that you are settling into a school routine. The children are a delight, we are so proud of their calm approach, lovely manners and achievements already.

### Paperwork

Please can we ask that all Hasloc, pupil information and photograph consent forms are returned by Monday 21st September. Staff have lots of lovely photographs that they would love to flood the website and Facebook with but cant until you give consent!

### FLU IMMUNISATION

The NHS have let us know that they would like to immunise all of our children Reception - Y6 against flu on October 12th in school. You have the chance to opt in / opt out. Please return the consent form by Thursday 24th September if you would like to opt in for your child.

### Sports event at Lingdale

On Tuesday 22nd September, the children from Y1-6 will be taking part in an Autumn Sports Roadshow'. The children in Year 1 & 2 will take part in an adventure challenge provided by Mrs Bell. The KS2 children will be involved in a cross country event on the afternoon. All of the events will take place outside and in their bubbles. Please make sure your child is wearing their PE kit on Tuesday 22nd September so they can take part. Thank you.

**MISSING (SCHOOL) = MISSING OUT**

**MAKE SURE YOUR CHILD IS IN SCHOOL EVERY DAY.**

Year 5/6: 94% Below!  
 Year 3/4: 96.6% Well done  
 Year 1/2: 99.2% Good!

**Reception: 100% Wow!**

This week's whole school attendance  
 97.5%

Yearly school attendance to date:  
 97.5%

Target 96.6%

This is the expected standard for all schools.

Poor attendance impacts negatively on your child's potential and life chances.

### PE reminder

KS2 children need to wear their PE kit **EVERY** Monday. KS1 children need to wear it on a **Friday**. Where possible, we would request that children wear a plain white or blue t shirt and plain blue or black shorts/joggers. The children **MUST** also be wearing trainers and bring a jumper or jacket.

### NO DOGS ALLOWED!

Please remember that for health and safety reasons dogs are not allowed on the school grounds unless they are guide dogs. Please do not carry dogs or fasten their leads to trees or gates in the school grounds. Thank you for your support and consideration on this matter.

### MOBILE FREE ZONE!

Please remember Lingdale Primary School is a mobile free zone. This is a safeguarding recommendation and we would request that all parents adhere to the advice in helping keep your children safe. Thank you for your cooperation. Greet your child with a smile not a mobile!

### SCOOTERS!

Please remember to leave your child's scooter in the storage shed whilst you are on school grounds. Children should stay close to the person collecting them and not mix bubbles. Thank you.

### Dates for the diary:

## Important information

### WHAT HAPPENS IF MY CHILD BECOMES UNWELL IN SCHOOL or SHOWS SYMPTOMS?

You will be notified immediately to come and collect your child. Your child will be escorted to a safe space with a member of staff to await your arrival.

Information about Covid, please call 111 or go to [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus).

### **WHAT HAPPENS IF SOMEONE TESTS POSITIVE FOR COVID 19 at Lingdale Primary School ?**

You will have noticed in the press that a number of local schools have reported a positive test result. In the event of this happening at Lingdale, you will receive one of two letters. 1. If your child is not in the bubble of the person who has tested positive, they will continue to attend school.

2. If your child is in the bubble of the person who has tested positive, they will need to isolate for 14 days. Home schooling will resume. Siblings from different bubbles do not need to isolate. If they do not develop symptoms, they will return to school after a fortnight. If they do develop symptoms, they will need to have a test. If the result is negative, they can return to school right away. If the result is positive, they need to inform school and follow NHS guidelines remaining fully isolated.

#### The symptoms of Covid are:

- A high temperature - this means you feel hot to touch on your chest or back (you do not need to measure your temperature);
- A new, continuous cough - this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual);
- A loss or change to your sense of smell or taste - this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.
