Working together to be the best we can be

Dear Parents/Carers,

As the colder days and darker nights draw closer, we value the importance of eating warm, nutritious meals. Following on from a small number of comments on recent pupil questionnaires, some tweaks have been made. Please enjoy the photographs of the older children tucking into Jane's pizza wraps and chicken dinners- some even went back for second helpings! See the reverse for menu details and let Mrs Bates know if you would like to give notice of your child starting on school meals.

Local Authority Health and Safety Covid Inspection.

This week school passed an inspection regarding routines and procedures implemented since reopening in September. The officer concerned was very complimentary about the way in which staff had gone above and beyond to ensure everyone entering the building is safe. Can I pass on my thanks to parents who are supporting school with regards to safety on the playground. **However, from Monday we will be asking everyone over the age of 11 to wear a mask when dropping off and collecting children.**

Remote Learning

Please look out for the questionnaire arriving in your in boxes soon with regard to your family's IT provision. Staff have been working hard making provisional plans in case our area has to go into another lockdown situation.

Parental consultations

Thank you for all those parents who participated in telephone consultations this week. It was lovely to speak to so many of you and discuss how well your children have settled. Please check your e mails as teachers have requested " mop up" appointments next week.

Macmillan total

The total raised from the non-uniform day was £105.Thanks

Halloween

Unfortunately, we are unable to provide children with a Halloween disco this year. Pupils will be able to participate in games and activities within their own bubbles on the afternoon of Friday 23rd October. Children will be allowed to come to school in fancy dress costumes if they wish.
