

Lingdale Primary School

Year 3 & 4 Home Learning WC 4th January 2021

Yet again we are facing lockdown and home learning will become the norm. I have sent work home this week that may be quite difficult for some and relatively straight forward for others. Rest assured in the weeks to come this will be more directed to the ability of your child. There are a range of different activities all of which will be available on Google Classroom too (classroom.google.com) for your children to work on. It is all things we have already covered.

Writing

1. Grammar and punctuation questions - there are questions covering all of the areas of grammar we have already done.

Maths

1. Value of a digit in a 4 digit number.
2. Addition and subtraction written method
3. Multiplication written method

All methods that we do in these year groups is included in your pack to support your children.

Reading:

1. Comprehension questions and text are included in the pack

Science:

1. All about bones and the bones we use for protection.
2. A cut out skeleton to create and label

Geography:

1. Research where the equator and the Tropics of both Cancer and Capricorn are and label them on the map

Remember you can email Mr F at any time y3-4@lingdale.org to send work or upload things to Google Classroom

Next week I will be starting online lessons for your children and where possible with the technology you have I would like every child to be in attendance.
