

Year 5-6 Home Learning Week 5 1st February 2021

Please find enclosed your learning pack for week 5. Expectations are that you spend 4 hours a day on your home learning. Remember that you can contact me on Google Classroom if you need any help.

GPS-

Continue to work through your pack of the spelling lists for years 3/4, 5/6. Use them to revise from and make a list of 6 - 12 new words to learn every week. Remember to use syllables to help you and ask yourself which rule they follow.

This week we are revising the use of apostrophes for plural nouns. EG – One dog= The dog's basket was full of toys. More than one dog= The dogs' baskets were full of toys.

This is a good website to help <https://www.theschoolrun.com/what-is-an-apostrophe>

English

Please find in your packs three more sheets concerning Alma. Watch these clips about imagery to help you.

<https://www.bbc.co.uk/bitesize/clips/zpgfb9q>

<https://www.youtube.com/watch?v=eoN1iUe5ZtQ>

<https://www.youtube.com/watch?v=A2WVUktcyPo>

One of these sheets is a vocabulary word mat, which will help you with your extended writing next week. Please spend some time clarifying the meaning of any words you don't understand.

Some of you will have a comprehension about volcanoes, some about the life cycle of a frog. Remember to answer in as much detail as possible.

Maths.

Please complete your UFOs and send a challenge on TTRS. In class we have all set new targets – some of us have reached them and some are very close. We have sadly slipped to 20th place- let's get into the top 10!

This week we are looking at place value – your paper pack includes sheets on ordering decimals- please watch some of the videos on this website first to jog your memories

<https://classroom.thenational.academy/units/decimals-8526>

If you are a confident Year 5 or a Year 6 pupil, extend your understanding by exploring the videos/quizzes on this page

<https://classroom.thenational.academy/units/integers-decimals-fc14>

Oxford Owl is a very informative website with lots of activities

Guided Reading

Extreme Environments- re-read the text and answer the following 8 questions

Robert Hewitt- An Ocean Survivor

1. What was Robert Hewitt's occupation?
2. Which continent is New Zealand in?
3. Circle the word closest in meaning to ordeal
adventure, swim, journey, trial
4. How did Robert conserve his energy?
5. List the hardships he had to endure and how he overcame them.
6. True or false- His oxygen tank was bright yellow.
7. Can you spot the personification in the text?
8. Find the meaning of "dehydrated" and "hallucinating"

Use Myon and continue to read the book that is in your pack or any book of your choice from home.

Topic- Geography

Your task this week is to locate key rivers of the world. Which countries are they in? Do any span more than one country? Name the continents they are found in.

P.E- Your parent will have received an extra e mail this week detailing a Challenge set for your household from Mrs Bell. Good luck!

Computing-There is a live lesson on YouTube as an introduction to Scratch (not me doing it) on Tuesday at 1:30pm

https://www.youtube.com/watch?utm_source=Barefoot+Teachers&utm_campaign=e1ea137137-EMAIL_CAMPAIGN_2020_12_08_04_42_COPY_01&utm_medium=email&utm_term=0_7384fb9d28-e1ea137137-32175324&v=itTYO-skDrs&feature=youtu.be
