**MAKE SURE YOUR CHILD IS IN SCHOOL EVERY DAY.**

## Working together to be the best we can be

As you know, we work closely in collaboration with Middlesbrough Football Foundation. This week marked the end of a six week programme called "Move and Learn." The aim of the programme was to educate children around the importance of healthy eating, hydration and exercise. The children have participated in a mixture of classroom -based learning and physical activities. They have been rewarded over the weeks with amazing prizes from the coaches, Lee and Toseef. Today, however, 4 medallists were chosen for their fabulous teamwork over the sessions; a huge well done to Eliza, Naomi, Logan and Kian. We are so proud of you!

### Support Needed!

All our families should now have been contacted by staff to discuss their child's progress and how they have settled back into school after lockdown and the Easter holidays. During those conversations, it was stressed how important it is to get the children back into a routine at home as well as at school. These routines should involve your child reading aloud to parents a minimum of 3 times a week, learning their spellings and key words and completing home work on time. As a school, we are working extremely hard to identify any gaps in learning due to lockdown and close them as effectively as we can in the most timely manner. We would really appreciate your support in this area—many thanks to those who are already on board the Lingdale Learning Train!

Our congratulations go to the children Chloe Jones, Lucas Hauxwell and Carma Oxendale who read 3 times last week, were picked out of the book draw and picked a brand new book to take home and enjoy. Well done!

## Help us ensure Captain Tom's legacy lives on

On 6 April 2020, Captain Tom Moore set out round his garden to thank our NHS heroes. One hundred laps later, he'd raised an incredible **£38.9 million** for the NHS Covid-19 appeal.

His simple message of hope - "Tomorrow will be a good day" - inspired millions around the world and brought comfort and joy to so many during the pandemic.

Now it's our turn to build on that legacy. Today (Friday 30 April) would have been his 101st birth-

day and to honour him and his amazing achievements, we are launching some sponsored events called 'Captain Tom 100'.

The children of Lingdale Primary discussed what we could take part in school to honour him and how we could use this event to raise money for our own school. The children came up with many amazing ideas such as 100 laps around the playground, baking 100 cakes, 100 reads, a sponsored 100 word spell. The school council decided that each class will take part in different events all that include the number 100. More details and sponsor forms for our events will follow next week and all money raised will go towards the funding of our new sports MUGA.
