In 2019, the performance of pupils was broadly in line with national expectation.

No national KS2 assessments occurred in 2020 or 2021 as stipulated by the Secretary of State.

The government will not publish KS2 school level data for the 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current performance.
