## Working together to be the best we can be

What a fantastic start we have had to our summer term. The children have regaled us with their antics from their Easter break and have returned looking revived, healthy and very, very smart. Please remember children should have their book bag and reading book in school EVERY DAY! We also reward those children that do this to 'be the best that they can be'.

### 100% attendance award

Wow! Well done to our 52 children who achieved 100% attendance for the Spring 2 term. They received their special certificates in assembly this week and enjoyed a delicious breakfast with Mrs Thornton. Keep it up!

### Health and Safety

We still have a small minority of parents using the staff car park and mobile phones. Please note this car park is for staff and deliveries only and parents should NEVER open the green gates. The green gates should be closed at all times and this is to ensure the safety of all our children. It is also to protect staff vehicles. School site is now monitored by CCTV so please support us in keeping our children safe. Thank you

### Water Bottles

Thank you for your support with cleaning, and re-filling water bottles at home. We are all aware of the rise in utility bills at home and school is no exception. Please note, water bottles MUST only be filled with water and NOT JUICE.
